To whom it my concern:

On behalf of the Somerset-Pulaski County Chamber of Commerce, I am writing this letter to show our strong community support for Troy Whitaker and his business, Wash Kleen.

Mr. Whitaker has built an excellent reputation across the Lake Cumberland Region for house washing, roof cleaning, commercial cleaning and all things that involve professional pressure washing services.

Mr. Whitaker has is a long standing entrepreneur in Pulaski County who has developed a track record for managing successful businesses.

For these reasons, the Somerset-Pulaski County Chamber of Commerce is happy to support Wash Kleen and would encourage your business or organization to consider using his services.

Sincerely,

Bobby Clue
